

IRSQ ROPE MULTI EDGE PROTECTOR

AFX203003

Features

- The Multi Edge protector is designed to protect the rope from abrasion against uneven surface and edges over different terrains.
- Comes with Ball bearing rollers allowing smooth rope pulls whilst reducing friction
- Suitable for 90 degree building edges, parapets, cliffs, and many other applications.
- Comes in set of 3 protectors connected with 4 Screw links.
- Additional protectors can be attached allowing longer lengths when are required.
