

DATA SHEET

Reference Code	SA-07A(001)
Description	Flash Tape for Leak Proof Joint, Width 50mm; SA-07A(001)D
Specification	
Surface Finish	Aluminum
Adhesive Color	Grey/Black/Yellow
Adhesive Basis	Flexible rubberized chemicals & resins and self-adhesive proprietary insulating & waterproofing compounds
Thickness	1.5 mm +/-0.2 mm
Application Temperature	-20°C to 50°C
Operating Temperature	-40°C to 110°C
Tensile strength	100 N/50 mm
Adhesion	7.8N/10 mm
Resistance to Moisture & Air	Excellent
Cracking Resistance	Cracking Resistance
Visible Defects (EN 1850-1)	No
