The following factors can reduce the Lifespan of the product: intense use, contact with chemical substances, specially aggressive environments, extreme temperature exposure, UV exposure, abrasions, cuts, violent impacts, incorrect use or lack of maintenance.

Unlimited Lifespan is determined if the product has been serviced annually and the service register is up to date.

DISCLAIMER: Prior to use, the end user must read and understand the manufacturer's instructions supplied with this product at the time of shipment and seek training from their employer's trained personnel on the proper usage of the product.

The manufacturer is not liable or responsible for any loss, damage or injury caused or incurred by any person on grounds of improper usage or installation of this product.

Product **"Must"** be withdrawn from service if a fall has occurred, failed the pre use check (refer check list) or comes in contact with Chemicals.

The product must be returned to the service provider for evaluation.
