

KAPTURE TOOL BUCKET & POCKET INSERT 55KG

DB500055

KStrong KAPTURE Tool Bucket is designed to make it easier to store tools when working at height. It has a unique closure system which prevents accidental drops. Supplied with a bucket liner to store and access tools.

Features

- Top ring to maintain wide opening for viewing and accessing contents
- 6 connection points inside the bucket for tools to tether to.
- Heavy duty webbing strap with ANSI aluminum swivel karabiner to lift or transport.
- DB500055 Bucket liner transforms the soft shell into a rigid bucket.
- The liner comes with 4 inner pockets allowing tools to be quickly selected and stored.
- When not in use the liner can be removed allowing the bucket to flattened for easy storage.
