

EPIC LINESMAN HARNESS

4 SIDE D-RINGS

ANH300413

The KStrong EPIC Series is ergonomically designed to deliver exceptional comfort and durability. Featuring AirLite padding, it combines breathable foam and fabric to help keep you cooler for longer periods of use. Lightweight aluminum fittings reduce overall weight without compromising strength.

Built for versatility, the EPIC Series is suitable for all working environments thanks to Endure Guard Technology, which provides effective liquid protection against oil, dirt, and water. It also includes the Integrated Compass Asset Management feature, conveniently located within the label pack for easy identification and tracking
