

K-LOCK WIRE ROPE TERMINATION (SWAGLESS) FOR VERTICAL WIRE SYSTEMS AFF6000, AFF7000 & AFF7500

AFF111505

Features

- The KStrong K-Lock Wire rope termination device is a mechanical lock system to hold the fitting in place and can be fitted to the end of the wire rope to form a Swageless termination.
- Adjustable on-site and relatively quick to fit allowing the user to install a wire rope assembly to the required dimensions.
- Simply tighten the 4 grub screw to secure the end termination of the rope.
- Suit 8mm Wire Rope
