

CURVED ALUMINUM RAIL FOR INNER WALL MOUNTING FOR AFF5000 SYSTEM

AFF531020

Features

- The Curved Rail is mounted on the inside of wall allowing the AFF539000 trolley to travel along the rail section attached to a corner.
- Secured together with other sections of the AFF5000 Horizontal Rail sections with AFF533000 Junction bolt, ensuring alignment of the sections which allows the AFF539000 Vertical Trolley to move along the rail smoothly.
