

## EPIC DERRICKMAN'S FULL BODY HARNESS SERIES

ANH300410

KStrong EPIC Derrickman's harness has been designed to perform monkey/tubing board and basket work. It is conceived with features that allow the Derrickman to safely lean out from the work platform (monkey board) to reach the drill pipe in the centre of the derrick or mast. The optional Derrick belt with large frontal pad provides extra comfort while positioning drilling pipes.
