

KStrong® Kaptor™ Small Tool/Radio Holster (ANSI)

Model: DA300201

KAPTOR™
TOOL LANYARDS

The KStrong® Kaptor™ Small Tool/Radio Holster secures small hand tools such as pliers, as well as radios and cell phones. It easily connects to standard tool belts and fall protection harnesses. A tool lanyard can be attached to the D-ring on the holster for additional safety and security.

DESIGN

- Holds pliers, wrenches, cell phones, radios, and more
- One exterior D-ring for tool lanyard attachment
- Plastic buckle closure and elastic cord loop secures the contents of the holster

MATERIAL

Webbing - Polyester
SR Clamp - Polymer
