

KStrong® IMPACT™ Swageless Cable Termination

Model: UFF513201

The KStrong® IMPACT™ Swageless Cable Termination (UFF513201) is a specialized stainless steel attachment designed specifically to be fitted to the end of 7x19 and 7x7 8mm wire rope lifelines. Crafted from electropolished stainless steel, it produces a highly secure, swageless termination that integrates seamlessly into its respective mating parts. Rated for a minimum breaking strength of 5,000 lbs. (25 kN), this fitting ensures a clean, reliable, and neat end connection for maximum system safety.

DESIGN

- Provides a strong, swageless termination attachment specifically for 7x19 and 7x7 8mm wire rope lifelines.
- Designed to fit seamlessly into respective mating components of the lifeline system.
- Swageless crimping mechanism ensures a neat, secure end connection without exposed or damaged wire ends.
