

KStrong® 20 ft. Rescue Ladder System

Model: UFZ809030

KStrong 20 ft. Rescue Ladder System has been designed for the self-rescue of a conscious user who has had a fall. The ladder kit allows the user to climb to safety with the added benefit of using a backup rope attached to the user which reduces the chance of a secondary fall.

DESIGN

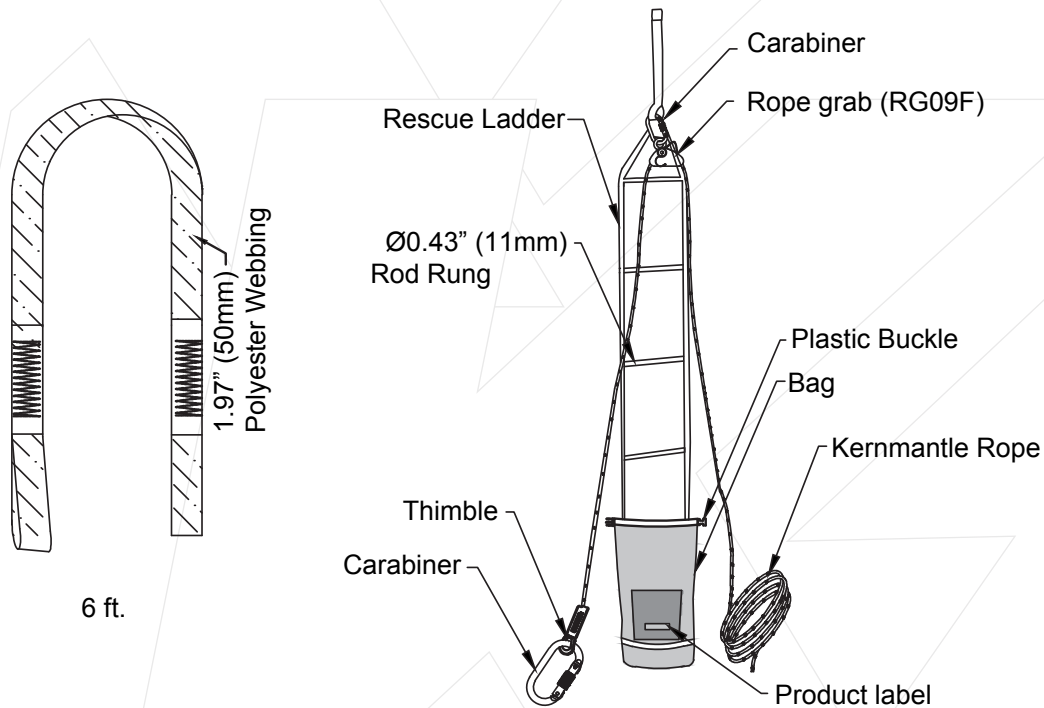

- Rescue ladder kit with 20 ft. ladder and 6 ft. concrete embed strap with loop at both ends
- Equipped with kernmantle rope, rope grab and carabiners
- Simple and easy to deploy Fast Drop System using an existing or a temporary anchor point
- The added rope grab system allows the user to climb efficiently while safely reducing the risk of a secondary fall.
- Optimized for fast and easy rigging
- Only requires one person to operate
- 23 ft. of Rope
- Comes with convenient backpack style bag
- Total kit weight 8.84 lbs.

LENGTH OF LADDER

20 ft.

WEIGHT

8.84 lbs. ± 0.11 lbs. (4010gm ± 10gm)
