

# KStrong® Weather Cover for SRL Sizes Up to 30 ft.

Model: UFZ840030

## DESIGN

- Weather cover designed to protect the SRL installed on a structure from harsh environmental effects such as dust, rain, direct UV rays of sunlight, etc.
- Constructed of a hard plastic cover on top and transparent cover around the SRL, allowing visual inspection of label, housing, etc.
- Kermantle rope at the bottom helps to retain the cover profile
- Compatible with KStrong SRL models with up to 30 ft. of lifeline
- UV-rated transparent PVC cover prevents UV degradation of the SRL housing

## MATERIAL

Top Cover: TPU  
Transparent Cover: PVC  
Stitching Thread: Polyester

## WEIGHT

1.48 lbs. ± 0.02 lbs. (670gm ± 10gm)
