KS GROUP

Mission Statement

The mission of KS Group is to save millions of lives working in the Industrial Environment across the globe, serving the needs of customers through highest standards of quality in product and service, over a foundation of uncompromising values and corporate governance.

The KS Group is a global leader in providing comprehensive Fall Protection and Personal Protective Equipment (PPE) solutions, and is a robust dynamic conglomerate, uniting three powerful Safety Brands: KARAM, KRATOS SAFETY, and KStrong. With nearly three decades of dedicated service, we have built a trusted name in the industrial safety sector across the globe.

Brand KARAM operates in India, Africa, and the Middle East; KRATOS SAFETY caters to the European market; and KStrong covers North and South America, Asia Pacific, and Australia. Each brand offers specialized safety solutions that adhere to the highest standards of quality and performance, and are tailored to meet the requirements of the customers in each of their distinct regions.

Whether it is delivering products certified to meet local safety standards, addressing region-specific requirements, or providing support in the local language, these brands are committed to offering solutions that are truly customized for the markets they serve.

Quality is the cornerstone of our success, reflected in both manufacturing and service. Our products comply with major global safety standards, including those from Europe, the United States, Canada, Australia and New Zealand, Africa, Brazil, and India.

Our manufacturing excellence, supported by fully vertically integrated facilities spanning over 65 acres in India and South Africa, ensures the production of precise, high-quality, and reliable products. With a portfolio of nearly 3,900 globally certified products, we offer a comprehensive range of Fall protection solutions. Our robust global distribution network, with strategically located warehouses across India, Singapore, South Africa, France, USA, Dubai, Brazil and Australia enables timely delivery to over 140 countries worldwide.

With a strong global presence, an unwavering commitment to safety, and a legacy of excellence, the KS Group continues to protect lives and elevate industry standards worldwide.

About the Brands

Established in 1998

Delivering Safety Across India, Middle East, Africa

KARAM is the first and flagship brand of the group, spreading its presence across the Indian Subcontinent through a footprint of trust, innovation and customer centric approach. The strong and uncompromising values of the Group stem from this Brand, which has become synonymous with quality, both in product and in service. With Sales Headquarters in Delhi (NCR) and Operational Headquarters in Lucknow (India), the brand reaches out to its customers through an extensive distribution network spread across the length and breadth of the country. And the comprehensive product portfolio offered by the Brand to the rising safety needs in India is a testimony to the agile and transformative processes adopted by the brand in its journey to build a true legacy.

Constantly catering to the demands for workmen safety in an industrial environment, and specializing in the field of Fall Protection, the brand further consolidated its presence in the **Middle East in the year 2013** and in **South Africa in the year 2019**, and continues to build its reach to its valued customers in the regions.

Established in 2012

European Expertise in Fall Protection

KRATOS SAFETY is based in Heyrieux, France, and specializes in providing comprehensive personal protection against falls from a height. With over 700 products in their range, KRATOS SAFETY offers a robust selection of fall arrest solutions designed to ensure worker safety. While headquartered in France, KRATOS SAFETY serves a broad market, offering EN Certified safety solutions across multiple countries in Europe. These solutions are provided in their local languages (English, French, Spanish, German, and Italian), which indicates the brand's extensive reach and deep commitment to meeting both European and international safety standards.

Established in 2019

Powering Safety Across Continents (North America, South America, Asia Pacific, Australia)

KStrong is rapidly establishing itself as a top-tier brand in Fall Protection products, with a significant footprint across North America, South America, Asia Pacific, Australia, and New Zealand. Its aim is to provide region-specific cutting-edge safety solutions that empower workers across various industries. KStrong's diverse product range covers all aspects of fall protection and safety, including an extensive line of fall protection solutions.

Constantly catering to the demands for workmen safety in an industrial environment, and specializing in the field of Fall Protection, the brand further consolidated its presence in **North America in the year 2019**, in the **Asia Pacific region in the year 2021**, in **South America in the year 2022**, and in **Australia in the year 2025**. KStrong continues to build its reach to its valued customers in the regions.
